

EVANSTON GOLF CLUB

4401 DEMPSTER STREET – SKOKIE, ILLINOIS 60076

Position Available: (2) Summer Interns. This internship could lead to a full-time position for the right individual.

Course Description: Evanston Golf Club is a private 18-hole course located 20 minutes north of downtown Chicago receiving 16,000 rounds annually. Evanston Golf Club reopened in the summer of 2007 following an extensive course renovation. The greens were expanded to the original Donald Ross fill pads, the tees were squared, and the fairways were shaped and contoured. Evanston Golf Club is bentgrass from tee to green, featuring the latest varieties of bentgrass. A complete drainage system was installed and an update to the Toro automatic irrigation system was done. The annual maintenance budget is approximately \$1.1 million.

Duties and Benefits: The interns will work closely with the Assistant Superintendent on a daily basis, setting goals and expectations for daily and seasonal work. Duties include but not limited to: Course maintenance and setup, Irrigation system maintenance and repair/install, Pesticide/Fertilizer applications, and drainage work including install/repair. Crew management will also be a vital part of the internship. Spanish speaking is a plus, but not necessary. Evanston Golf Club offers on course housing, uniforms, golfing privileges, and \$10-11 per hour plus overtime.

Position Available: 3-4 month internship starting in May 2011
