

Olympia Fields Country Club Grounds Department is now accepting applications for student interns. Please find a complete job description below.

Title of Position: Student Intern

Course Name: Olympia Fields Country Club

Course Description: Olympia Fields Country Club is a private country club founded in 1915, located on the south side of Chicago and is comprised of two championship golf courses. The North Course, designed by Willie Park Jr. and renovated by Mark Mungeam has hosted two PGA Championships, a number of Western Opens, the 1997 US Senior Open and the 1928 and 2003 US Open Championship. The South Course, designed by Tom Bendelow, has undergone a recent renovation conducted by architect Steve Smyers which includes a new irrigation system, all new tees, expansion of Poa greens, new bunkers and a new practice facility. The South Course will play host to the 2011 US Girls Junior Championship.

Duties: Interns will be involved in all golf course maintenance duties including mowing greens, changing cups, etc. Interns will also be involved in pesticide and fertilizer application and calibration, as well as any course projects.

Salary: \$10.50/hour + overtime & housing

Benefits: Golfing privileges on employee play days. Meals provided, one meal per working day, Tuesday through Sunday. Work Shirts provided.

Send Resumes to: Samuel C. MacKenzie, CGCS
