Opportunities

We are looking for hardworking turf students who want to join our staff. For the right individuals there are great opportunities for advancement at Oak Hill.

6 East green renovation

While at Oak Hill, employees will participate in all facets of golf course maintenance required to maintain two championship golf courses at the highest level.

In addition to standard maintenance, cultivation practices, and tournament preparation, Oak Hill is continuously working with Fazio Golf Designs on improving the East and West courses. Several projects are currently under way to prepare the East course for the 2013 PGA Championship, with others in the planning stages. The grounds staff at Oak Hill Country Club will be greatly involved in all projects.

What's Oak Hill looking for?

Turf students and/or recent graduates dedicated and motivated to learn what is required to maintain two championship golf courses, with the desire to move up within our staff.

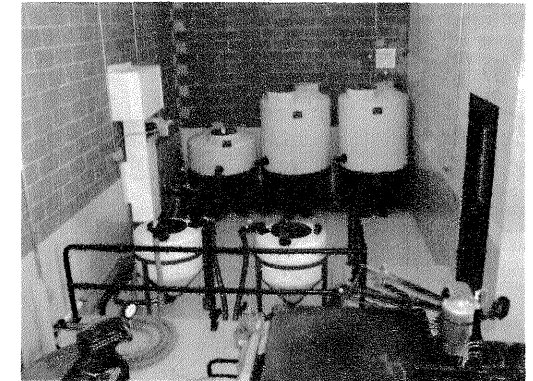

Benefits?

Housing and golfing privileges as well as the opportunity to experience many practical facets of golf course maintenance, including: cultivation, irrigation maintenance and water management, fertilizer and chemical application as well as tournament

preparation that will prove invaluable in future endeavors.

Oak Hill Country Club is looking to provide employees with the tools necessary to become successful assistants and superintendents. Our goal is to promote these employees through our organization or other top golf courses in the country.

Chemical pre-mix area, utilized to pre-mix chemicals and fertilizers for spray applications.

Where do I sign up?

Send resumes to: Jeff Corcoran – Manager of Golf Courses and Grounds.
