

Job Title: Summer Intern

Club/Course/Firm: Noyac Golf Club

Address: 51 Wildwood Rd.

City: Sag Harbor

State/Prov: NY

Zip/Postal: 11963

Contact Name: Brian Goleski, GCS

Contact Address: If different from above

Phone: 631-725-9124

Fax: 631-725-8697

Email: jbgoleski@optonline.net

Educational Requirements: Enrolled in a Turfgrass college program.

Experience Requirements: 1-2 seasons of golf course maintenance experience.

Special Requirements: Must be eager to learn, have good work ethic, and basic knowledge of golf.

Salary Range: \$550/week

Benefits: Employee housing, golf privileges, meals, uniforms.

Date Posted: 8-29-09

Date Available: 4-1-10

Comments: Two positions are available. Interns are responsible for performing golf course and grounds maintenance, including but not limited to some technical ability such as spraying or irrigation repair. The successful candidate must be able to work in a multi-cultural team environment and be flexible in job assignments in order to meet the needs of the business. Projects include irrigation and bunker renovations, tree removal, and general improvement of the course. Noyac is a good place to get hands on experience completing projects, and gaining knowledge and experience at a championship level.

Brian Goleski
Golf Course Superintendent
Noyac Golf Club
51 Wildwood Road
Sag Harbor, NY 11963

August 28, 2009

Dear University Alumni,

My name is Brian Goleski. I am the superintendent of Noyac Golf Club in Sag Harbor, New York. I am contacting you concerning an interest in available internship applicants for the 2010 season.

The position is officially called "Assistant in Training." Duties will coincide closely with work that is consistent of the assistants already in place. Daily the applicants will learn how to: schedule and manage a full working crew, develop spray regimens and perform applications, monitor the golf course for water needs and scout for disease pressure. Benefits include paid housing, golf, uniforms, meals and close proximity to the ocean.

Our golf club is located approximately seven miles east of Southampton and directly south of the Great Peconic Bay. Noyac has an exclusive private membership with individuals that enjoy top conditions. We pride ourselves on keeping tournament style playability at our course throughout the entire summer. Currently we have a staff of eighteen including myself, two assistants and a mechanic. In the next year we have projects ranging from pump station installation, and hole renovation.

Interested applicants should be aspiring to become superintendents with a strong work ethic. If students are interested, they should send a resume and cover letter to the contact information listed on the job posting attached to this letter.

Sincerely,

Brian Goleski
